

Courses Accredited as at 9 March 2009

The HAC recognises American Academy of Audiology (AAA) CEU points. AAA accredit many courses through Audiology Online (www.audiologyonline.com). If you attend an AAA approved course (and receive their Official Transcript of Continuing Education) or carry out on-line learning with Audiology OnLine and successfully complete the online test then this can count towards your CPD. Where attendance or distance learning takes place and AAA awards 0.1 CEU points, this equals 1 HAC structured point. Please retain the AAA Certificate.
